**ALEKSEY IGUDES MAN TAKES US TO HIS HOMETLAND AND THEN AROUND THE WORLD WITH HIS OWN ARRANGEMENTS AND HUMOROUS COMPOSITIONS FOR SOLO VIOLIN.**

Through his original sense of humour and virtuosity, he brings us closer to what classical music was originally intended for – to entertain and enrich our lives and to lose weight.

For many years, Igudesman has been composing violin duets for Universal Edition in various different musical styles. He is joined on stage by dancers and musicians, to perform his duets for violin, inspired by music from around the world.
